# SPECIFICATION GUIDE

To ensure accurate production and seamless installation of your logo, please provide the following specifications:

### 1. LOGO DESIGN
Confirm whether the design is final or near-final.

### 2. FILE FORMAT
Vector files only: AI, EPS, or PDF. *(PNG and JPEG files are not accepted for production.)*

### 3. DIMENSIONS
Provide overall width and height of the logo.

### 4. LOGO TYPE
Specify the type of logo requested, such as backlit, front-lit, preserved moss-filled, acrylic, metal, neon-style, or other finishes.

### 5. COLOUR SPECIFICATIONS
Provide exact colours, including Pantone references if applicable.

### 6. FINISH PREFERENCES
Indicate desired finish: matte, glossy, brushed, or other.

### 7. MOUNTING SURFACE
Indicate the surface where the logo will be installed (drywall, concrete, wood, glass, etc.).

### 8. INSTALLATION EVIRONMENT
Specify whether the installation is intended for indoor or outdoor settings.

### 9. LIGHTING REQUIREMENTS
If applicable, include details on lighting requirements. *(Please note that we do not install electrical signage.)*

### 10. INSTALLATION CONSTRAINTS
Note any potential constraints, such as installation height, accessibility challenges, or restricted zones.
