REINDEER MOSS PANELS

Our Mossart panels are made using 100% natural preserved moss.
Mossart products are no longer living and do not require any maintenance, trimming, nor watering.

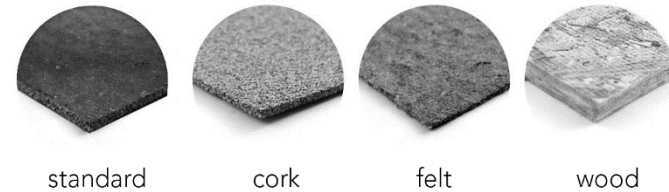

- >> Air humidity should be above 30% (may dry under 30%)
- >> No maintenance, no water, and no light required.
- >> Never spray or water the moss and avoid direct sunlight
- >> Natural texture is preserved and long lasting.

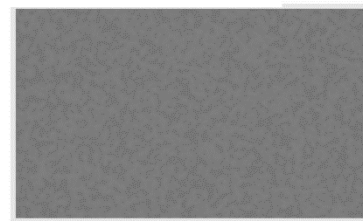

PANEL INSTALLATION

- >> Pre-made panels (2 inches thick)
- >> Screw or staple panels in place
- >> Custom sizes and shapes
- >> Plant moss along edges for seamless look
