CORTEN SERIES

Make an outdoor statement with Corten Steel rust planters.

Crafted from thick-gauge, fully seam welded Corten Steel, all Corten Steel Series planters are designed to develop a protective rust patina finish that changes and matures over time. Corten Series planters are crack-proof and are designed to be left outdoors year-round in both commercial and residential settings.

AS UNIQUE AS YOU ARE
All Corten planters are shipped in their raw, unruined state.

Over time, you will see your planter develop a beautiful rusted patina.

PRO SERIES

Premium and most durable line:
the Pro Series.

Made from a commercial grade
double-walled roto molded plastic,
the Pro Series is designed with the
trade professional in mind. All Pro
Series planters are shock resistant,
fade resistant, and specifically
designed to survive all seasons.

All Pro Series planters are
equipped with a 10-year splitting
and cracking warranty so you can
rest assured that all Pro Series
planters will stand the test of time.

ALL-WEATHER, LESS WASTE

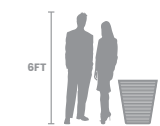

Pro Series planters are double-walled
for added weather durability and
come with an insert shelf to save soil.
